Sir,

Sub: ESTABLISHMENT - Animal Husbandry Department - Veterinary Hospital, Bellary - Employment of compounder - continuance - Sanction requested.

Ref: G.O.Ms.No.456, Development Department, dated 30-1-1951.

Government have in their order quoted above sanctioned the continuance of the post of the Compounder at the Veterinary Hospital Bellary till 31-3-1952. In this connection, the District Veterinary Officer, Bellary has reported that the average number of cases treated per day in the institution ranges from 35 to 40 cases. Besides, there are three stud bulls stationed at the institution in addition to the Poultry Unit attached thereto and the work is very heavy and hence the services of a Compounder are quite necessary.

I, therefore, request that Government may be pleased to accord sanction for further continuance of the post of Compounder in the Veterinary Hospital, Bellary for a period of three years from 1st April 1951

Yours faithfully,

V. R. Rajagopalan
